

My Story

CLINT WARWICK COMMERCIAL DIVISION

I have lived in Southeast Manitoba for the past 20+ years where I have spent the past few years renovating my home—if I am not renovating, I am cooking up a BBQ feast on my BIG GREEN EGG®—yes I am an EGGhead and proud of it! Just ask my amazing wife or one of our four children.

I have been in the construction industry for the past 12 years, with close to 15 years in retail sales mixed in. I have found I love the energy of the constant evolution in construction. This has created my passion for new projects that think outside the traditional methods of construction—from full ICF Builds to the ever expanding line up of eco-friendly finishing options—combined with being as efficient as possible in reducing waste. The manufacturing process gives each project a potential to be cutting edge.

The future of this industry and the constant expansion of project options can be overwhelming but this is where I shine—I can walk you through each possibility and help determine which is the best for you and your project—this is the best part of my day.

No matter the size of your project from the smallest renovation to completing the home of your dreams I can guide you each step of the way—so go ahead, connect with me—you will see I am the perfect fit for you and your project.

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
