

Build your career with us!

Plumbing Department Manager – Steinbach Branch

We are looking for an enthusiastic individual who is ready to join our team. The Plumbing Department Manager oversees the day-to-day management of the plumbing division, including the timely estimation of job costs, ensuring merchandise lines are completed and up to date, scheduling installation crews, and quoting and selling job packages to commercial contractors and residential customers. While ensuring compliance with building codes and permits.

The successful candidate will also look to build strong customer relationships with our existing contractor and retail customer base and will be driven to further grow the business by actively seeking out and following up on sales leads.

We offer a full range of benefits and a positive team environment. If you are confident, detail oriented, well-organized, a team player and have strong communication skills forward your resume in confidence to:
