## BRIAN ENNS

COMMERCIAL DIVISION - GSD

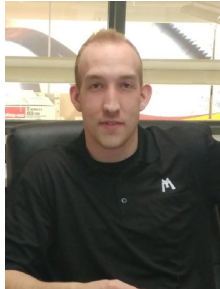

I was born and raised in Winnipeg, Manitoba. After graduating from high school, I started work in the construction industry, specifically the drywall and finishing side. Working for Winnipeg's biggest commercial/residential contractors for a

decade, I know that delivering the right product at the right time in the right space matters.

Looking for a change up, I started my new role in the industry as a Drywall Commercial Sales Rep for McMunn & Yates in March. I believe that my background will allow me to work with you to answer all of your questions – from timing, to product issues to material pricing – I can get you your information.

It is pretty cool to be Manitoba raised and working for a Manitoba grown business – our values and mission to provide the best customer experience in the industry are a perfect match.

Thank you for finding me, I look forward to showing us off!

## **Our Story**

**We stand on the shoulders of those who came before us. This is our story.**

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
