Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.

Brand Promise

To Our Contractors

We are the building supply partner you can count on for accurately fulfilling and delivering orders on time to help you run your business effectively and efficiently.

My Story

CHRIS MOORE COMMERCIAL DIVISION

My love for this industry goes as far back as I can remember. As a young boy, my father would take me on electrical jobs every chance he got, and so, it began.

I've worked in the lumber industry for most of my life. I have managed stores and I have set up new stores during the big box drive so I have seen a lot. You can have just about any discussion with me—I can talk paint, mouldings, flooring to doors, windows, lumber and roofing materials to full house or cottage packages—and I am here to help you make your vision happen.

We live in busy, complicated times, and I am here to help make everything easier and accommodate your busy schedule—whether you are a contractor or a DIY-er—I have time for you.

I pride myself in ensuring your experience is the best, along with the products you need to get the job done right the first time—going the extra mile is my pleasure. I would love to hear about your projects, your wish lists and all your needs... Connect with me or come in and say hello and let me introduce you to our team.
