Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.

My Story

CRAIG CURRIE WINDOW & DOOR SALES SPECIALIST

With 42 years of building supply experience I have worked for McMunn and Yates.

For 7 years prior to that, I managed for Weber Building Centre in Kamsack for 10 years.

I am responsible for the day to day running of the store which includes estimating, window and door sales, kitchens and bathroom renovations and agricultural steel sales as well.

I have always enjoyed the building industry and all new products that are constantly evolving and making the building envelope much more energy efficient, and curb appealing.

In my spare time during the summer, my wife and I enjoy being at Madge Lake.

Community based since 1971.
