## JON LAWRENCE STORE MANAGER

I am originally from Saskatoon SK, made the move to Yorkton 9 years ago, and then last year, chose to join the community of Russell. I love this community. An interesting thing about me?

I grow my hair each year and donate it to cancer, we have all been affected by this terrible disease and I think it is important we find a cure.

In terms of industry experience—I have a bit. I may not look it, but I have been in and out of the construction industry since high school—20 years (OMG). I started with McMunn & Yates in Yorkton 5 years ago at the service desk. This is where I learned the movement of materials—what is stocked and how to get it to you in mint condition. A few years ago I moved into Contractor Sales where I learned the art of the material take off—how to figure out exactly what you are looking for and how much of it is needed. It is an art! There are a lot of choices—a lot of similar products that provide slightly different results so I need to understand what results you are looking for. It is with this experience that I came to Russell to be your Store Manager.

If you are interested in a material package (shed, garage, roof, deck, window, kitchen—you think of it, I can source it) or just general product information, please, reach out to me. I will help walk you through the art and science of our building products.

## **Our Story**

**We stand on the shoulders of those who came before us. This is our story.**

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
