

# My Story

## JULIA PAGE

KITCHEN SALES SPECIALIST

I was born and raised in Winnipeg, specifically on the West side of the city. I'm the oldest of four, with two sisters and a brother—so I get how a great family home connects a family.

I am here to help you create the home of your dreams using products that make sense for your lifestyle and price point. I enjoy the challenges posed by difficult spaces, and love helping my customers discover style schemes that are perfect for their individual tastes. Every project is just as important as the last, and my favourite part of this job is seeing the finished product and the difference it makes in your home!

My passion for interior design stems from a relatively equal admiration for both creativity and practicality. I studied dance for almost 20 years, competing globally, before moving to Toronto to complete a degree in architectural studies. I also love to travel and have managed to globe-trot my way through Europe, Asia, and Australia within the past three years. I am a hard worker, and financed my own adventures by working in-between classes. Most recently, I decided to settle down and thoroughly update my first home along with my fiancé and our adorable dog. We have DIY-ed as much of the work as we can, which gives me a unique firsthand view of the renovation process from budgeting and decision-making, to design and installation.

Connect with me—where we can design a kitchen or bathroom that is perfect for your family—big or small.

## **Our Story**

**We stand on the shoulders of those who came before us. This is our story.**

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
