Make it Better™

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.

My Story

MARVIN CLEMONS KITCHEN SALES SPECIALIST

Cooking! Who doesn't love cooking when your space is custom to your liking. I've been in sales for over 10 years and have enjoyed every project. Each project for me is a new opportunity to learn each customers' taste, and build onto that. This industry changes very quickly and trends can come and go.

With my years of experience, I know what to look for before the project begins to ensure all obstacles are overcome during the build phase. I know that a functional kitchen and a 'WOW' kitchen are the end goal for when you have family and guests in your home.

The years I have been with McMunn & Yates has been such a pleasure. My role has allowed me to get to know my community and customers on a first name basis. I enjoy building trust and a rapport with our clientele, as they are my neighbors.

I am glad you have found me! Whether you are thinking about your own home or an office space, staff room, commercial kitchen, a bathroom or laundry space—I want to help you with your design, all the way to the build—from start to finish with the goal to 'Make it Better'.

Community based since 1971.
