## NEIL ASH

WINDOW & DOOR SALES  
SPECIALIST

My role as a Window and Door Specialist at McMunn & Yates allows me to share my 20 years of experience in the window and door industry with our customers.

I recognize that whether you are building new or replacing your windows, exterior doors or interior doors, it is most likely a one time endeavour. I am committed to finding the best solutions in terms of quality, service and budget for your project.

Whether it's a DIY project or installation project, I want to ensure that you select the right product for your application. If you choose to have us install the product, we offer a no charge and no obligation site visit to your home. The site visit allows us to review your requirements and offer up viable options and solutions.

I work closely with our installation manager and our installers and I am proud to be part of this team of dedicated professional performers whose job is to make the entire process seamless and enjoyable.

So please, connect with me and let's get to work on finding you the perfect window or door!

## **Our Story**

**We stand on the shoulders of those who came before us. This is our story.**

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
