Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.

My Story

RON KOROWAY COMMERCIAL DIVISION

I started with McMunn & Yates in 1996 at the Roblin location after moving my family back home from Winnipeg. It's great working for a company that supports the communities that support them.

I have worked at the Russell, Roblin and Grandview locations as Yard and Delivery person, Sales Associate, Hardware Manager and for the past 10 years as Store Manager in my hometown of Grandview.

I have completed WRLA Manual Estimating and received the crystal award in the WRLA Management Training. I have enjoyed helping people achieve their project goals, from arts and crafts to shops and homes. I also enjoy the fact that in this ever changing industry there is always new products and techniques to learn.

In my spare time I enjoy fishing and camping and spending time with my family. I look forward to meeting new people in the future and helping them achieve their building goals.

Community based since 1971.
