

My Story

RYAN LOEWEN COMMERCIAL DIVISION

I was born and raised in the City of Winnipeg and I love it!

I started my career with McMunn & Yates over 10 years ago and worked in many key roles. From picking and delivering to yard management, to inside sales and now commercial sales. This experience has allowed me to develop my philosophy of servicing the customer. You.

I have a lot of customers that I have had from day one, which is pretty cool. My goal is to build and maintain a relationship with each builder – a relationship built on trust, integrity, capabilities and results. At the end of the day, I hope that we make a difference in your project – I believe we can 'Make it Better' with your overall experience.

I am glad we are taking the time to meet. I am going to take the time to understand your team, your business needs and how you operate, with the ultimate goal of serving your business. Thank you.

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
