

My Story

ANDREAS STANG CONTRACTOR SALES

Hello! My name is Andreas Stang. I was born in Russia and raised in Germany before we settled in Canada in 2005. I have been happily married for 21 years and have 10 beautiful children, 5 boys and 5 girls. A perfect hockey team! I speak 3 languages, Russian, German, and English and went to College to study Business and majored in Plumbing and Heating.

I started working for McMunn & Yates in 2009 in customer service where I enjoyed building relationships with customers and contractors alike as well as gaining knowledge about products and services. With this knowledge, I was able to help with recommendations to best suit the needs of customers.

Starting a project can be quite overwhelming, but that's where I come in. Let me help you get started! So, whatever fits your schedule, you can call, email, or come in to see me anytime. Let me help you have a worry-free experience when it comes to planning and completing your project.

I look forward to meeting you!

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
