## ANGELA TRESOOR-CARLSON KITCHEN SALES SPECIALIST

Hello! My name is Ang Tresoor-Carlson. I grew up here in Kenora and absolutely love the charm that comes with living in a quaint tourist destination! I also really enjoy a quick trip to the city and all of the excitement that ensues with summer-time at Lake of the Woods and all of our seasonal residents! My husband and I recently returned to Kenora with our three children when his job finally brought us home!

My love for helping people flourished at a young age. As a local hometown girl who grew up in an entrepreneurial family, my love for design started with simple DIY projects. We recently bought, and are renovating a beautiful home built in 1908. A dream project for me!

I absolutely love seeing familiar faces and meeting new people. Helping my customers get from their idea phase (or maybe helping them with that too), through planning, ordering and finally to installation is something I really enjoy! Sometimes, it's a simple face lift with some new counters and cabinet hardware. Other times it's a complete gut and remodel of their kitchen! Who wouldn't love helping make your space look and feel more beautiful! I love how every kitchen is as unique as the family, and creating a space that works for them in their day to day lives is very important to me. If you're ready for a change and know exactly what you want, or you have no idea where to begin, I can help you through the process.

## **Our Story**

**We stand on the shoulders of those who came before us. This is our story.**

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
