

My Story

DAVID BEE COMMERCIAL DIVISION

Hi, I am David Bee, your Commercial Division person in Thompson. I have been with the Thompson location since 2014—where I started as a driver, and eventually made my way to Yard Manager. This history has given me great respect for building loads and getting deliveries out right the first time, and I promise to carry this with me in my new role as Commercial Division. In my new role, I can give you a material take off and price on any package—framing, shingles, drywall, siding, decks, windows—or even the whole house package. Being in Thompson, we can't always have everything right here, so I can also help you with locating, pricing and bringing in anything we don't stock. If you look for our website, it will give you a good idea of how I can help. So, knowing the importance of the delivery, I will be taking the time to understand your take off and material requests up-front so we get it right when we go to deliver!

Being a Thompson site, you know I appreciate our scenery—pictures are not enough—the golf courses, the lakes (both in winter and summer) are amazing. I love spending time with my children, Wynter and Darrin as well as my beautiful fiancé Nina (looking forward to August!).

Thank you for finding me, I am your local guy who understands our climate and building needs—we are going to complete an amazing project together.

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
