

My Story

DONNA KANASKI STORE MANAGER

Beausejour is my hometown and I love it (the French name Beausejour means beautiful stay and that has been my life!). My whole life in this small town, I was born and raised here, I raised my family here—my son Nicholas (Breanne), now lives in Winnipeg and is a Category Manager for M&Y and my daughter Jennifer (Garth), who (like her mom) resides here in Beausejour and is a registered nurse at the Selkirk General Hospital. I feel privileged to be a part of this community and to be a part of the M&Y family that supports this community.

I am proud of my accomplishments, and M&Y has been a great company to work for—they have given me and my family many opportunities. I started my career 17 years ago with Miracle Lumber Mart/Construction, and in 2004 McMunn & Yates acquired Miracle Lumber and kept all of the existing staff in place which showed me how much people matter to M&Y. Over the years, my roles included accounting and Hardware Manager which taught me, the tiniest details matter—even in administration. Now that I am a Store Manager, I infuse detail and process throughout the store—knowing that this will give you the best experience.

As a Store Manager, helping customers with their projects and interacting daily with my staff allows me to see a customer's dream project move from paper to completion. There is nothing more rewarding.

I like the hometown feel of the Beausejour store and cultivating relationships with my customers and contractors seeing them here on a daily basis or around town. Please click on the link to connect with me if you are looking for a friendly and efficient building experience.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
