

My Story

NATASHA RALPH STORE MANAGER

Hello, my name is Natasha. I am originally from the East Coast. Newfoundland to be exact, but did all of my schooling in Montreal. My building supply experience started out East in 2013. I moved to Portage la Prairie, MB in March of 2018 with my husband and sons to be closer to family. I started in the Portage store in January 2019 as Hardware Manager and transitioned to Store Manager in July 2019. It's a role I have been preparing for since 2013 and the opportunity to put my knowledge, ideas and experience to use has been exciting to say the least.

My focus has been and will always be on service excellence. It brings me great pride to know that our team is doing everything we can to ensure your experiences are meeting and exceeding your expectations.

One of my favourite things to do is to get out into the community and build relationships. Portage la Prairie has a variety of community outreach opportunities, and I look forward to finding my niche in my new hometown. Exciting projects are on the horizon here in Portage, and I'm thrilled to be a part of that.

Whatever project you're dreaming up, we have the right person on our team to assist you in bringing it to fruition. Whether it be a minor plumbing repair or building your dream home, don't be shy! Come on in and find me in store to tell me all about it.

Community based since 1971.

Our Story

We stand on the shoulders of those who came before us. This is our story.

It is a story about family first and foremost, of two families coming together. McMunn & Yates was formed in 1971 when Terry Yates and Stan and Gordon McMunn opened their first store in Dauphin, MB. With combined experience in both contract work and retail, this union of families put their faith in each other to build and rebuild something larger than themselves, now hundreds of families serving their local communities large and small. McMunn & Yates is committed to and believe in the hometown values and doing business with their friends and neighbors. We believe the “and” in McMunn & Yates is more than just a conjunction because without it, there are no connections and no commitment. We believe its this commitment to building strong, honest relationships that is the foundation upon which McMunn & Yates rests.
