## Make your home better

Today, the kitchen is the new living space. Small or large, the kitchen is the heart of every home and we spend a lot of time cooking with family or having a meal with friends.

Changes to schedules and place of work has created a need for office spaces, better storage and designated areas. Cabinetsmith Cabinets are so versatile, they are great for any room. Use it to build your dream kitchen, a laundry room, mudroom, even for extra storage in your office or basement. Cabinetsmith Cabinets offer a clean look, the base comes fully assembled so you can save time and complete your project in just one weekend.

## BLANCO Sinks

Making kitchen life easier.

BLANCO SILGRANIT sinks are made for modern life, making kitchen life easier. Between meal prep, washing dishes or watering plants, it's easy to forget just how important your sink is. The kitchen sink has become a loyal companion you can rely on, depend on, and lean on, day in and day out.

## Laminate Countertops

Integral design. Exceptional affordability.

Laminate is fun, affordable and easy to maintain and made to fit your lifestyle and budget. Today's laminates include so many options, including modern edges that resemble stone countertops and undermounting a sink is possible with today's laminates.
